## Octorara Area School District Standards Based Report Card Rubrics 2018-2019 <br> 3rd GRADE MATH

Standards-based grading aligns grading with the PA Core Standards. The report card accurately communicates achievement of learning targets to students, parents, and educators. Our report card provides specific information about the level of proficiency on the learning targets that are taught each trimester.

By the end of the year, students are expected to meet each grade-level standard (M). Students not meeting standards will receive instructional supports to achieve mastery for specific content and skills.

The purpose of these rubrics is to assist students, parents, and teachers in understanding what the specific learning expectations are for students to be considered at grade-level mastery in each skill area. These learning expectations may grow or increase as the school year progresses and more content/skills are introduced.

| SBRC Descriptor | M | SP | LP | NA |
| :--- | :--- | :--- | :--- | :--- |
| Means: | Consistently meets grade <br> level <br> expectations/standards | Demonstrates steady <br> progress toward meeting <br> grade level <br> expectations/standards | Demonstrates limited <br> progress toward meeting <br> grade level <br> expectations/standards | Not assessed at this time |
| Math Fact Fluency |  |  | Not assessed at this time |  |
| Addition Facts to Sums <br> of 20 | Independently and <br> consistently calculates <br> basic addition facts <br> efficiently, accurately and <br> flexibly | Inconsistently calculates <br> basic addition facts <br> efficiently, accurately and <br> flexibly. May be <br> independent with some <br> facts, but not all. | Dependent upon concrete <br> strategies or tools such as <br> number lines, drawings, or <br> objects to calculate <br> addition facts | Not assessed at this time |
| Subtraction Facts within | Independently and | Inconsistently calculates | Dependent upon concrete | N |

## Grade 3 Math SBGR

## Trimester 1

| 20 | consistently calculates basic subtraction facts efficiently, accurately and flexibly | basic subtraction facts efficiently, accurately and flexibly. May be independent with some facts, but not all. | strategies or tools such as number lines, drawings, or objects to calculate subtraction facts |  |
| :---: | :---: | :---: | :---: | :---: |
| Multiplication Facts 0 to 10 | Independently and consistently calculates basic multiplication facts 0-10 efficiently, accurately and flexibly | Inconsistently calculates basic multiplication facts 0-10 efficiently, accurately and flexibly | Dependent upon concrete strategies or tools such as multiplication charts to calculate basic multiplication facts 0-10 | Not assessed at this time. |
| Numbers and Operations - Base Ten |  |  |  |  |
| Applies place value understanding and properties of operations to perform multi-digit arithmetic | Independently estimates and add/subtracts single, double, and triple digit numbers with and without regrouping. <br> Multiplies one-digit whole numbers by multiples of 10 in the range 10-90 | Accurately and consistently estimates and add/subtracts single and double digit numbers with and without regrouping | Limited ability to estimate and add/subtract single and double digit numbers with and without regrouping accurately and consistently. | Not assessed at this time. |
| Numbers and Operations-Fractions |  |  |  |  |
| Demonstrates an understanding of fractions as numbers | NA | NA | NA | Not assessed at this time. |
| Operations and Algebraic Thinking |  |  |  |  |
| Represents and solves | Independently and | Inconsistently multiplies | Limited understanding of | Not assessed at this time. |

Rev. 6.6.18

Grade 3 Math SBGR

| problems involving <br> multiplication and <br> division | consistently multiplies 1 <br> digit numbers using 0 and <br> 1. | using 0 and 1. | multiplication. |  |
| :--- | :--- | :--- | :--- | :--- |
| Understands and applies <br> properties of operations <br> and the relationship <br> between multiplication <br> and division | Consistently determines if <br> equations involving <br> multiplication are true or <br> false | Inconsistently determines if <br> equations involving <br> multiplication are true or <br> false | Does not understand the <br> meaning of the equals sign | Not assessed at this time. |
| Solves problems <br> involving the four <br> operations; identifies and <br> explains patterns in <br> arithmetic | Consistently solves <br> problems with less than 4 | Inconsistently solves <br> problems with two <br> operations | Inability to solve problems | Not assessed at this time |
| Geometry | NA |  |  |  |
| Identifies, compares, and <br> classifies shapes and <br> their attributes | NA | NA |  |  |
| Uses the understanding <br> of fractions to partition <br> shapes into parts with <br> equal areas and <br> expresses the area of <br> each part as a fraction of <br> the whole | NA | NA | Not assessed at this time. |  |

Grade 3 Math SBGR

## Trimester 1

| Measurement and Data |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
| Solves problems involving money using a combination of coins and bills | Solves word/story problems that involve money accurately and consistently | Consistently writes money amounts and compares, orders, and adds money amounts | Inconsistently writes money amounts, compares, orders and adds money | Not assessed at this time. |
| Tells and writes time to the nearest minute and solves problems by calculating time intervals | NA | NA | NA | Not assessed at this time. |
| Solves problems involving measurement and estimation of temperature, liquid volume, mass, or length | NA | NA | NA | Not assessed at this time |
| Represents and interprets data using tally charts, tables, pictographs, line plots, and bar graphs | Displays data on graphs, including tally charts, tables, pictographs, line plots, and bar graphs. <br> Answers questions related to data and graphs and interprets graphs. <br> Translates data from one graph to another. | Displays data on one simple graph, including tally charts, tables, and bar graphs. <br> Answers simple questions or interprets simple graphs | Limited ability to collect, describe, compare and interpret data using tables, charts and graphs | Not assessed at this time |
| Determines the area of a rectangle and applies the concept to multiplication | NA | NA | NA | Not assessed at this time. |

Grade 3 Math SBGR
Trimester 1

| and to addition |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
| Solves problems <br> involving perimeters of <br> polygons and <br> distinguishes between <br> linear and area <br> measures |  | NA | NA | NA |
