

Dear Parents/Guardians,

With students returning to the classroom, we will need your help to mitigate the risk of COVID-19 transmission and promote a healthy learning environment for all.

- Please assess your child(ren) daily before coming to school using the “Can my child go to school today?” flowchart.
- Be aware that the OASD nurses must follow guidelines set forth by the Chester County Health Department when assessing students that develop any illness or symptoms during the school day and when managing possible cases or close contacts of COVID-19.
- If you are asked by your child’s school nurse to pick up your child for further evaluation, please do so as soon as possible.
- Please return Confidential Nurse Forms as soon as possible.
- If applicable, please return physician signed action plans, medication forms, physicals, and immunization updates as soon as possible.
- If you have any questions, please contact your child’s school nurse via phone (610-593-8238 and the corresponding extension) or by email:

-OPLC (grades K-2): Kris Guertler ext 1541

kguertler@octorara.org

-OES (grades 3-4): Margaret Michell ext 2541

mmichell@octorara.org

-OIS (grades 5-6): Wendy Risch ext 4540

wrisch@octorara.org

-OJr/SrH (grades 7-12): Sarah Morrissey ext 6504

smorrissey@octorara.org

Thank you for your cooperation,
OASD School Nurses
